

THEOLOGY ON TAP

The Final Judgment. The Last Call. It's as inevitable as death and, well, *death*. So, if you're looking to find out what it takes to go the distance (e.g. Eternity), *we'd like to give you some direction*. First ... go down to The Barley House. Then, sit back, relax and listen as our guest speaker presents a topic about the Catholic faith. Following the presentation, you'll have an opportunity to ask questions and discuss the topic further. If you haven't already guessed, *Theology on Tap* is unlike any faith-building program you've ever attended (assuming, of course, you *have* attended a young adult education program in the past). *Theology on Tap* has taken place in dioceses throughout the U.S. for 25 years and we're excited to bring this program to our community. So, if you're in the 21-40+ crowd, and want to examine your faith more clearly, we invite you to *Theology on Tap*.

Fr. David Hudgins, Pastor at St. Joseph, will be our first presenter on Tuesday, Sept. 21. The series discussion continues for the next 4 weeks.

6:30 pm: Gather at The Barley House, 113 E. Maumee St.; Get food and drinks

7:30 pm: Presentation by Fr. David; Q & A follows

9:00 pm: Social time begins; relax, enjoy, discuss *Bring valid I.D. Attendees must be 21 or older.
