

THEOLOGY ON TAP

No ... it's not Mass. But it does have mass appeal. Yes, *Theology on Tap*, the exciting, dynamic faith-building program found in Boston, Atlanta, New Orleans, Washington, D.C. and New York, is coming to Adrian! *Theology on Tap* gathers together the area's young adults, 21-40+, single or married, in a casual meeting environment and presents the "straight talk, hard facts, real answers" of our Catholic faith and how it affects our lives, our community and our world. *Theology on Tap* is conducted by a priest, religious or other Catholic leader well-schooled in Catholicism. After the speaker's presentation and Q & A, each small group will discuss the topic further over food and a beverage or two. This ministry has experienced great success since it began in the Archdiocese of Chicago in 1981, and we're happy to offer it to you!

Fr. David Hudgins, Pastor at St. Joseph, will be our first presenter on Tuesday, Sept. 21. The series discussion continues for the next 4 weeks.
